It was proposed by Cllr. Mayberry and seconded by Cllr Ryan, that this matter be taken to the next full town council meeting, to see if this is something that the TC would like to pursue.

4/17 BUDGET UPDATE AND REVIEW: CLERK
Where are we now with the Town Council Finances?
The Clerk will give a financial breakdown with regards costs and forecasts.
To be discussed and agreed:
Allowances for Civic Functions
The Mayors Civic Ceremony Costs. (The Clerk will ask the Mayor and the Deputy Mayor to remain, but not to be involved in this discussion when it comes to finalising the amount allocated).
Christmas Budget
Regeneration Budget
The Reserve Account

The Clerk handed out a financial breakdown of every transaction of the town council, by category since 1.4.16 and a further schedule, displaying the transactions by audit category.
The accounts are looking buoyant at the moment with the balances of the accounts as follows:
The general account - £19,482.45
The reserve account - £6,874.46
Christmas Lighting - £760.29
Greening Fishguard and Goodwick - £15,614.00
The next precept payment is due in late April.

There are no outstanding invoices as at 24.1.17.
All the outstanding invoices have been paid in full.
The Clerk requested the Councillors to think about the budget and to try and decide how much to allocate for the 2017/18 period by category. The Clerk will prepare a draft, based upon the previous 2 years spends and the forecasted spends for the year and will present them at the next finance meeting.

The Clerk requested the committee to commit an amount to the Mayors Making Ceremony. She was unable to find minutes referenced, that covered the event and it would appear that no previous budget allocation had been set. This is a recurring event and requires a set budget allocating.

The Clerk had contacted all the other clerks in Pembrokeshire to ask what they allocated to the same ceremony. The response was great and these were discussed.

The Mayor and Deputy Mayor both expressed an interest in this agenda item as the current Mayor was in the process of organising his Mayors Making Ceremony and the Deputy Mayor has provisionally booked her ceremony for July 2017.

They both left the room to allow Cllrs. to discuss an actual amount to be allocated. It was agreed by Cllrs. to allocate £900 towards the event, and any expenses above that amount, would be met by themselves.

Cllr. Stonhold proposed £900 and Cllr. Ryan seconded the amount.

Once the amount had been finalised, Cllrs. Mayberry and Wyer rejoined the meeting.

The Clerk will prepare an outline of budget guidelines for the Mayors Making Ceremony.

5/17 GRANT APPLICATIONS RECEIVED:
Sea Trust - £610.29 for a new terrapin tank and filter.
This application was supported by accounts and a letter in support, forwarded by Ysgol Bro Gwaun.

The matter was discussed in depth and it was agreed to pay 50% of the requested amount, subject to match funding from another organisation.

Proposed by Cllr. Mason and seconded by Cllr. Mayberry. All Agreed

A further application had been submitted by Aberjazz, since the Agenda had been sent out. Aberjazz were asking for £500 towards the costs of putting on workshops during the Aberjazz weekend.

This amount was discussed and approved.

Proposed by Cllr. Wyer and seconded by Cllr. Mason. All Agreed.

6/17 FISHGUARD BAY YESTERDAY AND TOMORROW:
The group were allocated £1,000 by the Town Council, as agreed on minute reference 87/16 dated 3.5.16. This amount was paid out but the group has not managed to progress the project for 2017.

Does the Town Council ask for the return of the £1,000 and then it is re-applied for when the re-enactment is organised?

The issue was discussed in depth. It was recollected that the amount was requested in person, by the former Mayor, Richard Grosvenor, at the full Town Council meeting and was not subject to a Funding Application form, due to its urgency.

The Town Council agreed that £1k could be paid immediately to cover costs incurred and expenses with the remainder going to the re-enactment.

It was agreed that the Clerk will write to the group and request that the £1k allocated, be returned to the Town Council. The Clerk will write to both Richard Grosvenor and the Tapestry Trust, where the finances had been paid into.

Cllr Ryan proposed, Cllr. Mason seconded. All Agreed.

There being no further business to discuss, the meeting was closed at 5:10pm.

After the outcome of the public meeting with Natural Resources Wales, Pembrokeshire County Council and the AM, Paul Davies, where the outcome was that Lower Town was way down the list with regards remedial treatment. A discussion took place and it was decided to look at the problem from a different angle. | 6/17 | **IDEAS TO REGENERATE THE TOWNS: CLLR RYAN**<br>There were several ideas that were discussed. It was seen as a positive way forward and something that the Town Council could deal with swiftly. The following ideas were suggested:  
  - **Jemima Recruitment**  
    Jacqui Scarr’s attendance at Civic functions was discussed. It was noted that she had not been present at any of the cruise ship welcoming meetings but had attended the Folk Festival opening and the Fishguard lights switch on.  
    Will liaise with the press to see if they are willing to assist with advertising for an army of Jemima’s to assist with the many Civic functions for 2017.  
  - **Notice Boards**  
    It was suggested by Cllr. Perkins that weather proof notice boards could be displayed at locations throughout the twin towns, Lota Park, Market Square, Lower Town, the Parrog.  
    The display boards would depict images of the towns/area in times gone by.  
    The Clerk will investigate the costs of the boards.  
  - **Bunting**  
    The wire cables that support the Christmas lights above West St, are in situ. It was suggested that bunting be placed on the wires as well as on all welcome to Fishguard and Goodwick road signs.  
    Main St. in Goodwick was discussed and PCC would be willing to give permission for bunting across the road to be hung, if the requirements with regards height etc. were met.  
| 7/17 | **ANY OTHER BUSINESS UNDER THE PUBLIC BODIES (ADMISSIONS TO MEETINGS) ACT 1960:**<br>Matters arising that need attention that have come to notice since sending the agenda out, may be proposed here.  
Items must be referred in the first place, to the Clerk and then to the Chairman, prior to the start of the meeting.  
The Chair, Cllr. Ryan wished to discuss the following two items: |
| 8/17 | **FLAGPOLES:**<br>Cllr. Ryan expressed his disappointment with regards to the lack of care taken with the flag poles on the front of the building here at the Town Hall. He would like to investigate why the flagpoles are not utilised correctly and believes that two flags, the British and the Welsh flags should be hung side by side. Failing that, if no new pole could be purchased, then the Welsh flag should be hung. |
| 9/17 | **TOWN MASTER PLAN:**<br>What is happening with regards to the Master Plan discussions that took place at the full town council meeting on 12.12.16 with PCC (Sinead Hanahan)  
The Clerk referred to the minutes and advised that the PCC were going out to expressions of interest in late December. |
| 20/17 | **CRUISE SHIPS UPDATE**<br>Cllr. Perkins updated the committee with regards to an issue that had been discussed on 23.1.17 by the Cruise Ships Committee meeting.  
It had been proposed, without discussions with the Cruise ships committee, that the passenger visits to the town and to the farm, would be changed to the afternoon, rather than the morning. This would be difficult because the farm visit could not be done in the afternoon, business is poor in Fishguard in the afternoon and the visit to St. David’s in the morning, would overshadow the experience in Fishguard.  
More information will be available at the next meeting.  
There being no further business to discuss, the meeting was closed at 5.55pm |
Governance Group – Cllr. James (a verbal report from tonight’s meeting)
Due to the fact that the Governance Group meeting was held immediately before the Town Council meeting, a verbal response was made by Cllr, James.
Cllr. James has been researching how other Town Councils function and looking for best practice.
There was a general discussion with regards to policies and procedures.
The Clerk will devise a catalogue of policies that will be available for general perusal, both public and internal.
She will also devise a catalogue of internal procedural documents that explain the workings of the internal functions of the Town Council. For example, how the banking is done. How to make payments. How to prepare documents for audit. How to record minutes and other tasks.
The Clerk will progress

31/17 CARNEGILI PROJECT: CLLR. MAYBERRY
The Chamber of Trade has been twinned with Berwick Upon Tweed in Northumbria, as a like for like town.
The Mayor is attending a meeting on 1.2.17 to find out more information which he will update you with.
Funding has been secured by the Chamber with regards to investigating ways in which like for like towns, operate and what they could learn from each other.
Fishguard and Goodwick had been likened to Berwick upon Tweed.
A visit to the area is being planned and the Mayor will represent the Town Council. More information will be fed back to the TC as and when it is received.

32/17 WALES IN BLOOM: CLLR. MAYBERRY
Does the Fishguard and Goodwick Town Council want to take part in the Wales in Bloom 2017 competition?
The Greening Group have made enquiries and a decision will need to be made with regards which category.
The Town Council fully supported the Wales in Bloom Application, wishing them every success and proposed to pay the entrance fee of £105 for the Small Town Category. Proposed by Cllr. Wyer and seconded by Cllr. James. All Agreed.

33/17 UK CITY OF CULTURE: CLLR. MAYBERRY
The Clerk circulated an email received from Mike Cavanagh at Pembrokeshire County Council with regards to the opportunity to bid for the UK City of Culture.
This would be centred around St. David’s with expansion out as far as Fishguard.
The PCC have asked if the Town Council will consider this matter and to agree the geographical scope of the application.
There was a general discussion with regards to the application and it was suggested that Fishguard should do everything to support the bid.
Both the Mayor and Deputy Mayor will attend St. David’s with regards the inaugural meeting to take this forwards and will report back at the next meeting.
Proposed by Cllr. Perking and seconded by Cllr. James. All Agreed.

34/17 COMMUNITY FORUM: CLLR. MAYBERRY
In order to improve communication throughout the towns, we should consider
attending community meetings and the Community Forum is under represented by the Town Council. Members can join, for a £1 annual fee. Should we be representing the Town Council at the Community Forum? There was a general discussion about the forum. It was noted that they are responsible for and have assisted with, some major projects within the towns. It was proposed by Cllr. James and seconded by Cllr. Wyer that the Clerk and Cllr. Thickitt attend future meetings to represent the Town Council.

35/17 ONE VOICE WALES – TRAINING MODULES: CLLR WYER
There is a comprehensive range of training for Town Council available. However, take up is sometimes poor, due to geographical reasons. OVW have asked that we consider what the Town Councillors may require and respond accordingly, so that they can better manage the locality of required courses and training.

36/15 TWINNING VISIT TO LOCTUDY: CLLR. MAYBERRY
The Town Council need to consider who represents the Town Council at the visit to France on Monday 10th April through to Sunday 16th April. The Town Council needs to discuss what gift and what value is put on the gift. The Town Council needs to ensure that there is Councillor representation on the committee, for future visits. There was a general discussion with regards representation. The cost at the moment is a maximum of £200 per person, to include the coach and the ferry crossing. It was suggested that up to four people should attend the visit with the Mayor and his Mayoress being the primary guests. Cllr. Mayberry asked that interested parties contact the Clerk so that names can be given to the organising committee. Proposed by Cllr. Mason and seconded by Cllr. James. All Agreed.
